

Marlon's Introduction

Marlon Smith is a man on a mission. He earned a Bachelor of Science degree from the University of Virginia in electrical engineering. As a college student, Marlon's proudest moment came when he founded *Street Academics*, a high school youth mentoring program, where college students provided student leadership development for younger students.

His corporate experience includes working at two fortune-500 corporations, IBM and Hewlett-Packard in Silicon Valley. Listening to his heart, Marlon resigned from Hewlett-Packard to follow his passion of inspiring more people to be their best. He has written numerous books and they will be available for you to receive autographed copies after his presentation.

As a keynote motivational speaker, Marlon has been blessed with opportunities to inspire, entertain and motivate thousands of individuals in 45 states and 13 countries.

GET READY, GET READY, GET READY! Because Marlon Smith has joined us today to share insights that make a difference. GET READY because Marlon's high-energy will keep us on the edge of our seats as we learn insights for being our best.
